ORDERING INFORMATION

Schmidt's Real German Food can be delivered to your location three distinct ways:

1. For 20 to 75 guests, we can drop and set up an all-inclusive buffet to your location for a small delivery fee.
2. We can supply staff and gas grills to festively cook and serve on your premises for functions over 75 guests. Service staff, delivery and additional catering equipment are not included in the per-guest pricing and will be quoted separately by our event planner.
3. For larger parties, we can bring the Schmidt's Sausage Truck for a true "food truck" experience.

We will do our best to accommodate last minute orders, but normally we need 48-hour notice and a deposit for all bookings.

Prices shown in USD, exclude tax & may vary.
